53                 <h3>What you will do:</h3>
54                 Create a main web page for Homework 7 with the following:
55                 <ul class="square-list">
56                     <li>Heading "CNIT 133 Homework 7 - Object Model and Event Model"..
57                     </li>
58                     <li>The jQuery script library in the head part of your pages.</li>
59                     <li>Hyperlink and a short summary of that part.</li>
60                     <li>Hyperlink to go back to the main page of the course (Homework 1
61                         web page).</li>
62                 </ul>

```

[illegible]

```
